Modified Gross Lease:

A type of real estate rental agreement where the tenant pays base rent at the lease's inception but in subsequent years pays the base plus a proportional share of some of the other costs associated with the property, such as property taxes, utilities, insurance, and maintenance.

NNN:

A lease agreement on a property where the tenant or lessee agrees to pay all real estate taxes, building insurance, and maintenance (the three "Nets") on the property in addition to any normal fees that are expected under the agreement (rent, utilities, etc.). In such a lease, the tenant or lessee is responsible for all costs associated with the repair and maintenance of any common area.
